

Proceedings of the 9<sup>th</sup> meeting of Karnataka State Coastal Zone Management Authority (KSCZMA) held on 28<sup>th</sup> May 2015 at Room No. 253, 2<sup>nd</sup> Floor, 3<sup>rd</sup> Gate, M.S. Building, Bengaluru under the Chairmanship of Additional Chief Secretary to Government, Department of Forest, Ecology and Environment.

Members present: As per the list enclosed.

The Chairman welcomed the members present. All the files were placed before the Authority for perusal and the subjects were deliberated as per the Agenda.

**9.1 Confirmation of the proceedings of the previous KSCZMA meeting held on 11.12.2014.**

The proceedings of the previous KSCZMA meeting held on 11.12.2014 were read out. The proceedings were confirmed as there were no comments or amendments received from the members.

**9.2 Action Taken Report on the proceedings of the previous KSCZMA meeting held on 09.12.2014.**

Action Taken Report at Annexure - I was perused and the Authority noted the Action Taken.

**9.3 Corrigendum / Amendments/Circulars issued on the CRZ Notification, 2011 by the MoEF & CC:**

The Ministry of Environment, Forests and Climate Change have issued the following amendments to the CRZ Notification, 2011.

- (1) S.O. 651 (E) dated 29<sup>th</sup> March 2011
- (2) S.O. 2557 (E), dated 22<sup>nd</sup> August, 2013;
- (3) S.O. 1244 (E), dated 30<sup>th</sup> April, 2014;
- (4) S.O. 3085 (E), dated 28<sup>th</sup> November, 2014;
- (5) S.O. 383 (E), dated 4<sup>th</sup> February, 2015;
- (6) S.O. 556 (E), dated 17<sup>th</sup> February, 2015;
- (7) Circular No. 19-31/2015-IA.III dated 27<sup>th</sup> February 2015
- (8) S.O. 938 (E) dated 31<sup>st</sup> March 2015.

Copies of the said amendments are placed at Annexure - II for kind perusal of the Authority. After perusal of notifications the Authority noted the amendments.

**9.4 Preparation of State Coastal Zone Management Plan:**

The Secretary Environment and Ecology brought to the notice of the authority about the status of preparation of CZMP maps. As per para 5 (ii), the State Coastal Zone Management Plan is to be prepared by the State Government engaging reputed and experienced scientific institutions or the agencies including the National Centre for Sustainable Coastal Zone

Management. Preparation of CZMPs Map requires identification or demarcation of HTL / LTL by the institutions identified by MoEF and there after the CZMP maps are to be prepared by engaging reputed and experienced scientific institutions including National Centre for Sustainable Coastal Zone Management. Accordingly the Government of India has already entrusted the above work for all Coastal States to the National Centre for Sustainable coastal Zone Management, Chennai, which is an autonomous institution of MoEF and CC.

Digital Maps of the villages coming under Coastal Regulation Zone have been forwarded to National Centre for Sustainable Coastal Zone Management, Chennai as desired by the NCSCZM with a request for preparation of CZMP of the State on 07-05-2015. Draft CZMP in 1:25000 scale and maps in cadastral scale for local use will be supplied by NCSCZM, Chennai. Once, the draft CZMP are received, the same have to be published for comments from public and after incorporation of the objections, the CZMP maps have to be submitted for approval of NCZMA, Delhi.

Meanwhile the Ministry of Environment, Forests and Climate Change, Government of India vide Notification No. S.O. 938 (E) dated 31<sup>st</sup> March 2015 have extended validity of the Coastal Zone Management Plan that has already been approved upto 31<sup>st</sup> January 2016.

Hence all the proposals put up for this meeting is based on the existing CZMP maps approved by NCZMA, in the year 1996.

Subject was discussed in the Authority. The Chairman suggested to KRSAC to send a proposal to MoEF to get recognition for preparation of CZMP maps. The Director KRSAC said that already a proposal has been submitted to MoEF. The Chairman suggested the Director to send a reminder to MoEF to expedite the recognition process.

#### **9.5 Re-constitution of the District Coastal Zone Management Committees:**

The Secretary Environment and Evology brought to the notice if the authority regarding reconstitution of DCZMC for all three coastal districts.

The Coastal Zone Regulation Notification, 2011 under para 6 (c) provides for constitution of District level Committees under chairmanship of the District Magistrate concerned containing at least three representatives of local traditional coastal communities including from fisher folk to assist the State Coastal Zone Management Authority in enforcement and monitoring of the CRZ Notification. Accordingly, such committees were constituted vide the Government Order No. FEE 155 CRZ 2011 dated 19.10.2011 for a period of three years. As the terms of said committees got over the State Government have re-constituted the District Coastal Zone Management Committees in all the three coastal districts vide Government Order No. FEE 1060 CRZ 2014 dated 15.05.2015. A copy of the said Government Order is enclosed for the perusal and information of the Authority at **Annexure- III.**

The Authority noted the reconstitution of District Coastal Zone Management Committees.

**9.6 Ratification of provisional NOC issued by the Regional Directors (Env) with the approval of the DCZMCs.**

The KSCZMA during the meeting held on 11.06.2014 had taken a decision to authorize the Regional Directors (Env) of the coastal districts to issue provisional NOC for construction/re-construction/repair of dwelling units in CRZ II and CRZ-III (200m - 500 m) and outside the CRZ limits with the approval of the concerned DCZMCs and then to submit proposal for ratification of the action taken. A detail procedure in this regard have been issued vide the Government letter No. FEE-236-CRZ, 2013, dated 18.08.2014. Accordingly, the Regional Directors (Env) of the coastal districts have submitted proposals for ratification of the provisional NOC issued. The details of proposals on which provisional NOC have been issued by the Regional Directors (Env), Dakshina Kannada, Udupi and Uttara Kaannda districts subject to ratification are enclosed as **Annexure - IV, Annexure - V and Annexure - VI** respectively.

The Authority reviewed the provisional NOCs issued by the Regional Directors, Dakshina Kannada, Udupi and Uttara Kannada Districts and after discussion the Authority decided to accord ratification for the action taken by concerned RDs. Further, the Authority decided to issue Proper CRZ NOC for the proposals listed in **Annexure - IV, Annexure - V and Annexure - VI**.

**9.7 Proposals seeking CRZ Clearance - Dakshina Kannada District:****9.7.1 Request of NOC for modernization of saw mill office building from M/s Yenepoya Moideen Kunhi at Sy.No. 20-1, 20-2 and 20-3 of Bolur Village, Mangalore (Link FEE 49 CRZ 2009, C.No. 38833) (FEE 1059 CRZ 2014).**

M/s. Yenepoya Moideen Kunhi and Co. had requested for the postfacto approval of the re-construction made in Sy.No. 20-1, 20-2 and 20-3 of Bolur Village, Mangalore. It is submitted that the building that existed since 1958 was about to be collapsed during the Monsoon in the year 2008. The building was therefore re-constructed.

The Regional Director (Environment), Mangalore had inspected the spot and recommended for issue of NOC as there were old structures on either side of the renovated building and the area is classified as CRZ-II.

The occupier appeared before the Authority and explained the circumstance under which the renovation was done. The Chairperson desired to know the details of the built up area of the old building, built up area of the renovated/reconstructed building and the permissions obtained for such renovation/reconstruction.

The Authority noted that as per para 6 (2) under CRZ-II (i) of the CRZ Notification, 1991, buildings are permitted towards the landward side of the existing and proposed road/existing authorized structure subject to the existing local town and country planning regulation.

After discussion the Authority had asked the occupier to submit the details of the built up area of the old building, built up area of the renovated/reconstructed building and the permissions obtained for such renovation/reconstruction and then to decide the subject in next meeting.

Accordingly, a letter was addressed to the proponent on 13.01.2010.

Subsequently, the Regional Director (Environment), Mangalore reported vide letter dated: 17.06.2014 that the occupier is dumping waste from the sawmill and polluting the adjacent river in violation of the provisions of para 3 (V) (VI) and (VII).

The issue has been discussed in the DCZMC meeting held on 15.09.2014 and the committee have decided to address letters to the concerned departments and officers for further necessary action. The minutes of DCZMC meeting do not clearly indicate whether it is a case of prima facie violation.

The Authority noted that the instant case is of year 2010 and as per the Regional Directors report it is said that the proponent is dumping sawdust and polluting the water and it is not clear as to whether is there any illegal construction in the site. Hence, the Authority decided to get a site inspection report from the Deputy Commissioner, Dakshina Kanada about the latest status of the land use and violations if any. Further, the Authority also decided to get report on next course of action to be initiated in case of any violations:

**9.7.2 Narayana R Karkera S/o Late Rukmaya Poojary for construction of residential house at Sy. No. 22/4B of Sasihithlu village (FEE 908 CRZ 2014)**

Sri. Narayana R Karkera S/o Late Rukmaya Poojary had requested for issue of NOC for construction of residential house at Sy. No. 22/4B of Sasihithlu Village, Mangalore, Dakshina Kannada District for a built up area of 86.29 Sq.Mtr (Ground+1). The issue was discussed in the KSCZMA Meeting held on 11th June 2014. The Authority have decided to issue NOC. Accordingly, NOC has been issued vide letter dated: 04.07.2014. However, a typographically error has crept in while recording the Sy. No. of the land both in the Minutes of the meeting and in the letter dated 04.07.2014 as 24/4B instead of 22/4B.

The applicant vide letter dated: 22.07.2014 have requested for issue of Corrigendum in this regard.

The subject was discussed in the Authority and the Authority decided to issue Corrigendum.

**9.7.3 Request of NOC from Smt. Prafulla B Shetty W/o Balakrishna R Shetty, Kenjar, Bajpe for construction of residential house at Sy. No. 64/15P1, 64/15P2 and 168/4P of Idya Village, Mangaluru (FEE 167 CRZ 2015).**

Smt. Prafulla B. Shetty W/o Balakrishna R. Shetty, has requested NOC for construction of residential Apartment at Sy. No. 64/15P1, 64/15P2 and 168/4P of Idya Village. The Authority after discussion and deliberations decided to issue NOC for Ground and First Floor as per the recommendation of the DCZMC.

## 9.8 Proposals seeking CRZ Clearance - Udupi District:

### 9.8.1 Request of NOC from Sri. Raghunandana Ramanna S/o Late T.V. Ramanna for Re-Construction of old residential house No. 5-34 at Sy. No. 212/1B of Kotathattu Village, Udupi Taluk (FEE 15 CRZ 2012).

Sri. Raghunandana Ramanna S/o Late T.V. Ramanna has requested NOC for Re-Construction of old residential house No. 5-34 at Sy. No. 212/1B of Kotathattu Village, Udupi Taluk. The proposed site was inspected by Regional Director (Environment) and the details submitted are as follows:

- (1) Jurisdiction of CRZ: 500 mts from Sea (as per CZMP approved 1996)
- (2) Classification: CRZ-III
- (3) Distance from HTL: 40 mts from Sea.

The Regional Director (Environment) has submitted application in the prescribed format, Survey sketch of site, Draft Digitized CRZ map showing the area of proposed re-construction, Photos of old house, 1984-1985 year tax assessment extract, RTC, Approved CZMP sheet, Grama panchayath Certificate for the plinth area of the house, Sale deed copy and Proceeding of DCZMC meeting held on 21.10.2014. The building is around 88 sq.ft plinth area.

The proposal was placed in DCZMC meeting held on 23.08.2012, the Committee has recommended for rejection of NOC as the applicant does not belong to traditional Coastal Community

As per para 8 ( III ) (ii) of CRZ Notification, 2011, construction/reconstruction of dwelling units of only traditional coastal communities including fisherfolk is permitted.

The Authority noted the recommendation of the DCZMC and agreed to reject to issue NOC as the applicant does not belong to traditional Coastal Community.

**9.8.2 Request of NOC from Sri. Stephen Benedict Lewis for construction of residential house at Sy. No. 98/3P16 of Moodahadu Village, Udupi Taluk (FEE 518 CRZ 2014).**

Sri. Stephen Benedict Lewis has requested NOC for Construction of Residential house at Sy. No. 98/3P16 of Moodahadu Village, Udupi Taluk. The proposed site was inspected by Regional Director (Environment) and the details submitted are as follows:

- (1) Jurisdiction of CRZ: 500 mts from Sea (as per CZMP approved 1991)
- (2) Classification: CRZ-III
- (3) Distance from HTL: 500 mts from Sea HTL and 170 mts from River.

The Regional Director (Environment) has submitted application in the prescribed format, Survey sketch of site, Draft Digitized CRZ map showing the area of proposed construction, RTC, and Approved CZMP sheet. The subject has been placed before the DCZMC, wherein it is decided that the proposed project site is outside CRZ limits as per CRZ Notification 2011.

The Authority noted the decision of the DCZMC and agreed to issue an endorsement since the location is outside the CRZ limits as per CRZ Notification 2011.

**9.8.3 Request of NOC issued to Smt. Susheela Thingalaya for construction of residential house in Sy. No. 71/1AP3, Badanidiyur Village, Udupi Taluk (FEE 113 CRZ 2015)**

Smt. Susheela Thingalaya Baikadi Village Udupi Taluk had requested for issue of N.O.C for reconstruction of Residential House at SY.No.71/AP3, of Badanidiyur Village in Udupi Taluk in an area of 0.10 Acre out of 0.58 Acre. The proposal was considered in the KSCZMA meeting held on 5<sup>th</sup> September 2014. The Authority had accorded the approval for issue of N.O.C. Accordingly N.O.C has been issued vide letter dated 27.10.2014.

The applicant vide letter dated 28.02.2015 have submitted that while applying for N.O.C it was mentioned as "Reconstruction" instead of "construction" by oversight. The applicant therefore has requested for issue of N.O.C for construction, instead of reconstruction.

Since, a decision has been taken in the Authority, subsequently to permit construction of dwelling units between 100 and 200 meters pending preparation of comprehensive plan, permission may be granted in this case also.

The Authority noted the recommendation of the DCZMC and decided to adhere to the earlier decision.

**9.8.4 Request of NOC from Smt. Parvathi S. Mirle W/o Sukumar Shrinivas for Re-Construction of residential house at Sy. No. 78/20 of Mattu Village, Udupi Taluk (FEE 207 CRZ 2012).**

Smt. Parvathi S. Mirle requested for NOC for re-construction of residential house at Sy. No. 78/20 of Mattu village, Udupi Taluk. The proposed site was inspected by Regional Director (Environment) and the details submitted vide letter dated 21-07-2012 are as follows:

- (1) Jurisdiction of CRZ: 500 mts from sea (as per approved CZMP 1996)
- (2) Classification: CRZ-III
- (3) Distance from HTL: 40 mts from sea.

The Regional Director (Environment) has submitted application in the prescribed format, R.T.C., Survey map of the site, Tax assessment extract for the period 1987-88, photo of old house, approved CZMP map sheet and draft digitized map showing the proposed area. The building is around 535 sq. ft. plinth area.

The Regional Director (Environment) has inspected the site and reported that the site falls in CRZ-III, No Development Zone.

The proposal has been considered by DCZMC, Udupi during the meeting held on 23.08.2012. The committee has recommended for rejection of NOC as the applicant does not belongs to traditional Coastal Community.

As per para 8 ( III ) (ii) of CRZ Notification, 2011, construction/reconstruction of dwelling units of only traditional coastal communities including fisherfolk is permitted

The Authority noted the recommendation of the DCZMC and agreed to reject to issue NOC as the applicant does not belongs to traditional Coastal Community.

**9.8.5 Request of NOC from Smt. Shakunthala Poojarthy W/o Sundara Poojary for Conversion of residential house at Sy. No. 8/4 of Kuthpadi Village (FEE 1147 CRZ 2014).**

Smt. Shakunthala Poojarthy W/o Sundara Poojary has requested NOC for Conversion 0.11 Acres of land at Sy. No. 8/4 of Kuthpadi Village, Udupi Taluk and District for residential purpose. The proposed site has been inspected by Regional Director (Environment) and has reported that the proposed site is at a distance of 105 m from the HTL and the area is classified under CRZ-I.

The Regional Director (Environment) has submitted the application in the prescribed format, Survey sketch of the site, R.T.C., approved CZMP map sheet and draft digitized map showing the proposed area.

On verification of records it is noted that the issue has been discussed in the KCZMA meeting held on 15.09.2011. The Authority had decided to verify the exact distance of the site from the HTL of the river and the width of the river and then issue the NOC if the proposed site is located outside the CRZ area as per CRZ Notification 2011. Accordingly an endorsement has been issued vide letter No. FEE 121 CRZ 2011 dated 02.11.2011.

Subsequently the issue has been discussed in the meeting of the DCZMC, Udupi held on 07.06.2014. The committee has recommended for issue of NOC as the proposed site is outside the CRZ limits as per CRZ notification 2011.

As per para 1 (ii) of CRZ Notification, 2011 CRZ apply to the land area between HTL to 100 meters or width of the creek only and it is permissible activity.

The Authority noted the decision of the DCZMC and agreed to issue an endorsement since the location is outside the CRZ limits as per CRZ Notification 2011.

**9.8.6 Request of NOC from Smt. Manjula W/o Ramakrishna Alias Krishna Kharvi for re-construction of residential house at Sy. No. 69/16 of Gangolli Village, Kundapura Taluk (FEE 514 CRZ 2014).**

Smt. Manjula W/o Ramakrishna Alias Krishna Kharvi has requested NOC for re-construction of residential house at Sy. No. 69/16 of Gangolli Village, Kundapura Taluk. The Regional Director (Environment) has inspected the proposed site and reported that the project site is at a distance of 50 m from the HTL of the river (as per CZMP approved 1996) and it is classified as CRZ-I (3) Distance from HTL: 50 mts from River HTL.

The Regional Director (Environment) has submitted application in the prescribed format, Survey sketch of site, Draft Digitized CRZ map showing the area of proposed re-construction, Photos of old house, 1988-1989 year tax assessment extract, RTC, Approved CZMP sheet, Certificate from Gangolli Grama Panchayath for change of door No. dated 24.11.2012 and Proceeding of DCZMC meeting held on 26.03.2013 The building is said to be around 19 sqm plinth area. The DCZMC recommended the proposal for issue of NOC in the meeting held on 26.03.2013.

As per the provisions under the para 3 (e) of the CRZ Notification 2011 reconstruction, repair works of dwelling units of local communities including fishers in accordance with local Town and country planning regulations is permitted. The Regional Director have reported that the Authority has granted special permission for re construction / repair in CRZ - I Area earlier

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.8.7 Request of NOC from Smt. Sharada W/o K.H. Manjunatha for re-construction of residential house at Sy. No. 239/2B2 of Kundapura, Kasba Village (FEE 6 CRZ 2015).**

Smt. Sharada W/o K.H. Manjunatha has requested for NOC for re-construction of residential house at Sy.No. 239/2B2 of Kundapura Kasba village, Kundapura Taluk.

The Regional Director (Environment) has submitted the application in the prescribed format, R.T.C., survey map of the site, tax assessment extract for the period 1974-75, photo of old house, approved CZMP map sheet and draft digitized map showing the proposed area.

The Regional Director (Environment) has inspected the site and reported that the site is at a distance of 114 m from the HTL of the river and 284 m from HTL of the sea. it is classified as CRZ-I. The building is around 955 sq.ft. plinth area.

The proposal is recommended in DCZMC meeting held on 21-10-2014 with a remarks that the proposed site is outside CRZ limit of river, as per CRZ Notification 2011. Westward side is CRZ II being authorised structure permissible.

As per the provisions under the para-3 (e) of the CRZ Notification 2011 reconstruction, repair works of dwelling units of local communities including fishers in accordance with local Town and country planning regulations is permitted

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

Repair and reconstruction of authorised structures in the NDZ of CRZ III is permissible as per Para 8(III)(ii) of the CRZ Notification 2011.

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.5 Request of NOC from Smt. Devi Raju Gounda, Heble, Bhatkal for Reconstruction of a residential unit in Sy. No. 86/1B of Heble Village, Bhatkal Taluk (FEE 130 CRZ 2015)**

Smt. Devi Raju Gounda has requested NOC for construction of residential Apartment at Sy. No. 86/1B of Heble Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 160 m from the HTL from Sea and it is classified as CRZ III as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, Change in Ownership letter, 1986-87 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map, Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 320 Sq. ft.

The Regional Director (Environment) has reported that the site falls in CRZ-III, distance from the sea is 160 mts.

The proposal has been recommended by the DCZMC in its meeting held on 24.03.2015.

Repair and reconstruction of authorised structures in the NDZ of CRZ III is permissible as per Para 8(III)(ii) of the CRZ Notification 2011.

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.6 Request of NOC from Sri. Koti Narayan Moger, Heble, Bhatkal for Re-construction of a residential unit in Sy. No. 152/2 of Heble Village, Bhatkal Taluk (FEE 126 CRZ 2015).**

Sri. Koti Narayan Moger has requested NOC for construction of residential Apartment at Sy.No. 152/2 of Heble Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 50 m from the HTL from Sea and it is classified as CRZ III as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, Change in Ownership letter, 1986-87 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map, Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 26 X 18 Sq. ft.

The Regional Director (Environment) has reported that the site falls in CRZ-III, distance from the sea is 50 mts.

The proposal has been recommended by the DCZMC in its meeting held on 24.03.2015. Repair and reconstruction of authorised structures in the NDZ of CRZ-III is permissible as per Para 8(III)(ii) of the CRZ Notification 2011.

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.7 Request of NOC from Smt. Mastamma Laxman Moger for Re-construction of a residential unit in Sy. No. 21/3 of Heble Village, Bhatkal Taluk (FEE 133 CRZ 2015).**

Smt. Mastamma Laxman Moger has requested NOC for construction of residential Apartment at Sy. No. 21/3 of Heble Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 150 m from the HTL from Sea and it is classified as CRZ III as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, Change in Ownership letter, 1986-87 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map, Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 340 Sq. ft.

The Regional Director (Environment) has reported that the site falls in CRZ-III, distance from the sea is 150 mts.

The proposal has been recommended by the DCZMC in its meeting held on 24.03.2015.

Repair and reconstruction of authorised structures in the NDZ of CRZ III is permissible as per Para 8(III)(ii) of the CRZ Notification 2011.

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.8 Request of NOC from Smt. Somi Balindra Gounda, Heble, Bhatkal for Reconstruction of a residential unit in Sy. No. 186/7 of Heble Village, Bhatkal Taluk (FEE 128.CRZ 2015)**

Smt. Somi Balindra Gounda has requested NOC for construction of residential Apartment at Sy. No. 186/7 of Heble Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 130 m from the HTL from Sea and it is classified as CRZ III as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RFC of the site, Change in Ownership letter, 1986-87 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map, Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 310 Sq. ft.

The Regional Director (Environment) has reported that the site falls in CRZ-III, distance from the sea is 130 mts.

The proposal has been recommended by the DCZMC in its meeting held on 24.03.2015.

Repair and reconstruction of authorised structures in the NDZ of CRZ III is permissible as per Para 8(III)(ii) of the CRZ Notification 2011.

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.9 Request of NOC from Smt. Tulasi Ganapayya Gounda, Heble, Bhatkal for Reconstruction of a residential unit in Sy. No. 98/14C of Heble Village (FEE 127 CRZ 2015).**

Smt. Tulasi Ganapayya Gounda has requested NOC for construction of residential Apartment at Sy. No. 98/14C of Heble Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 90 m from the HTL from Sea and it is classified as CRZ III as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, Change in Ownership letter, 1986-87 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map, Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 345 Sq. ft.

The Regional Director (Environment) has reported that the site falls in CRZ-III, distance from the sea is 90 mts.

The proposal has been recommended by the DCZMC in its meeting held on 24.03.2015.

Repair and reconstruction of authorised structures in the NDZ of CRZ III is permissible as per Para 8(III)(ii) of the CRZ Notification 2011.

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.10 Request of NOC from Sri. Somayya Durgappa Moger, Heble, Bhatkal for Reconstruction of a residential unit in Sy. No. 143/1B of Heble Village, Bhatkal Taluk (FEE 124 CRZ 2015).**

Sri. Somayya Durgappa Moger has requested NOC for construction of residential Apartment at Sy. No. 143/1B of Heble Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 70 m from the HTL from Sea and it is classified as CRZ III as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, Change in Ownership letter, 1986-87 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map, Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 16 X 13 Sq. ft.

The Regional Director (Environment) has reported that the site falls in CRZ-III, distance from the sea is 70 mts.

The proposal has been recommended by the DCZMC in its meeting held on 24.03.2015.

Repair and reconstruction of authorised structures in the NDZ of CRZ III is permissible as per Para 8(III)(ii) of the CRZ Notification 2011.

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.11 Request of NOC from Sri. Shridhar Durgappa Moger, Heble, Bhatkal for Re-construction of a residential unit in Sy. No. 143/1B of Heble Village, Bhatkal Taluk (FEE 125 CRZ 2015).**

Sri. Shridhar Durgappa Moger has requested NOC for construction of residential Apartment at Sy. No. 143/1B of Heble Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 90 m from the HTL from Sea and it is classified as CRZ III as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, Change in Ownership letter, 1987-88 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map, Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 16 X 13 Sq. ft.

The Regional Director (Environment) has reported that the site falls in CRZ-III, distance from the sea is 90 mts.

The proposal has been recommended by the DCZMC in its meeting held on 24.03.2015.

Repair and reconstruction of authorised structures in the NDZ of CRZ III is permissible as per Para 8(III)(ii) of the CRZ Notification 2011.

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.12 Request of NOC from Smt. Vandhana Vishwamber Takekar, Harwada Village, Ankola Taluk for Re-construction of a residential unit in Sy. No. 258/19 of Harwada Village (FEE 135 CRZ 2015).**

Smt. Vandhana Vishwamber Takekar has requested NOC for construction of residential Apartment at Sy. No. 258/19 of Harwada Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 150 m from the HTL from Sea and it is classified as CRZ III as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, Change in Ownership letter, 1984-85 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map, Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 20 X 19 Sq. ft.

The Regional Director (Environment) has reported that the site falls in CRZ-III, distance from the sea is 150 mts.

The proposal has been recommended by the DCZMC in its meeting held on 24.03.2015.

Repair and reconstruction of authorised structures in the NDZ of CRZ III is permissible as per Para 8(III)(ii) of the CRZ Notification 2011.

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.13 Request of NOC from Smt. Lalita Sheshgiri Ambig, Divagi, Kumta Taluk for Reconstruction of a residential unit in Sy. No. 1/33 of Divagi Village, Kumta Taluk (FEE 123 CRZ 2015).**

Smt. Lalita Sheshgiri Ambig has requested NOC for construction of residential Apartment at Sy. No. 1/33 of Divagi Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 20 m from the HTL from river and it is classified as CRZ-I as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, Change in Ownership letter, 1981-82 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map, Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 20 X 20 Sq. ft.

The Regional Director (Environment) has reported that the site falls in CRZ-I, distance from the river is 20 mts.

The proposal has been recommended by the DCZMC in its meeting held on 24.03.2015.

Repair and reconstruction of authorised structures in the NDZ of CRZ III is permissible as per Para 8(III)(ii) of the CRZ Notification 2011.

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.14 Request of NOC from Sri. Kamalakar Manju Moger, Heble, Bhatkal for Reconstruction of a residential unit in Sy. No. 1/2 of Heble Village (FEE 121 CRZ 2015).**

Sri. Kamalakar Manju Moger has requested NOC for construction of residential Apartment at Sy. No. 1/2 of Heble Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 20 m from the HTL from river and it is classified as CRZ-I as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, Change in Ownership letter, 1988-89 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map,

Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 20 X 21 Sq. ft.

The Regional Director (Environment) has reported that the site falls in CRZ-I, distance from the river is 20 mts.

The proposal has been recommended by the DCZMC in its meeting held on 24.03.2015.

Repair and reconstruction of authorised structures in the NDZ of CRZ III is permissible as per Para 8(III)(ii) of the CRZ Notification 2011.

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.15 Request of NOC from Smt. Parvati Subray Nirvaneshwar, Gokarna Village, Kumta Taluk for Re-construction of a residential unit in Sy. No. 6 of Gokarna Village, Kumta Taluk (FEE 136 CRZ 2015).**

Smt. Parvati Subray Nirvaneshwar has requested NOC for construction of residential Apartment at Sy. No. 6 of Gokarna Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 280 m from the HTL from Sea and it is classified as CRZ-I as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, Change in Ownership letter, 1989-90 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map, Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 22.8 X 4.95 Sqm.

The Regional Director (Environment) has reported that the site falls in CRZ-I, distance from the sea is 280 mts.

As per the provisions under the para 3 (e) of the CRZ Notification 2011 reconstruction, repair works of dwelling units of local communities including fishers in accordance with local Town and country planning regulations is permitted. The Regional Director have reported that the Authority has granted special permission for re construction / repair in CRZ - I Area earlier

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.16 Request of NOC from Sri. Jatti Nagappa Ambig, Uppinapatna, Kumta Taluk for Re-construction of a residential unit in Sy. No. 91/2 of Uppinapatna Village (FEE 122 CRZ 2015).**

Sri. Jatti Nagappa Ambig has requested NOC for construction of residential Apartment at Sy. No. 91/2 of Uppinapatna Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 40 m from the HTL from river and it is classified as CRZ III as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, 1989-90 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map, Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 216 Sq. ft.

The Regional Director (Environment) has reported that the site falls in CRZ-III, distance from the river is 40 mts.

The proposal has been recommended by the DCZMC in its meeting held on 24.03.2015.

Repair and reconstruction of authorised structures in the NDZ of CRZ III is permissible as per Para 8(III)(ii) of the CRZ Notification 2011.

The Authority after discussion and deliberation decided to issue NOC for reconstruction.

**9.9.17 Request of NOC issued to Sri. Krishna Hari Mesta S/o Hari Mesta, Honnavar Village, Honnavar Taluk for construction of residential house at Sy. No. 194/6A of Honnavar Village (FEE 138 CRZ 2015).**

Sri. Krishna Hari Mesta S/o Hari Mesta has requested NOC for construction of residential Apartment at Sy. No. 194/6A of Honnavar Village.

The Regional Director (Environment) have inspected the proposed site and has reported that the site is at a distance of 90 m from the HTL from Sea and it is classified as CRZ II as per the approved CZMP.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, 1989-90 year tax assessment extract, CZMP of the proposed site, Draft digitalized CRZ map, Photos of Old house, Annexure IV (Checklist for submission of application for prior CRZ clearance), Proceeding of DCZMC meeting held on 24.03.2015. The plinth area is 645 Sq. mt.

The Regional Director (Environment) has reported that the site falls in CRZ-II, distance from the river is 90 mts.

The proposal has been recommended by the DCZMC in its meeting held on 24.03.2015.

As per para 8 (II) (iii) of the CRZ Notification 2011, reconstruction of Authorised building is permitted.

The Authority after discussion and deliberation decided to issue NOC for reconstruction. - —

**9.9.18- Request of NOC from M/s Bluwave Marine Export Pvt., Limited, Mavinkurva Village, Honnavara Taluk for establishment of Industry at Sy. No. 531, 532, 533, 534, 535, 536 and 537 of Mavinkurva Village (FEE 1088 CRZ 2014).**

M/s. Bluwave Marine Export Pvt., Limited has requested NOC for establishment of Industry at Sy. No. 531, 532, 533, 534, 535, 536 and 537 of Mavinkurva Village.

The proposed site was inspected by Regional Director (Environment) and the details submitted are as follows:

- (1) Classification: CRZ-III as per approved CZMP of 1996.
- (2) Distance from HTL: 100 mts from river HTL.

The Regional Director (Environment) has submitted application in the prescribed format, Site Inspection Report, Survey sketch of site, RTC of the site, Project Report, Proposed building plan, CZMP of the proposed site, Draft digitalized CRZ map, Proceeding of DCZMC meeting held on 04.06.2014 and 27.10.2014. The plinth area is 645 Sq. mt.

The Regional Director (Environment) has reported that the site falls in CRZ-III as per CZMP of 1996 and beyond 100 mts. from the river HTL. The proposal is for setting up of fish processing unit. As per para 3 (iii) of the CRZ Notification, the activity is not permissible.

The DCZMC in its meeting held on 27.10.2014 has decided to reject the proposal as there is incomplete information.

The Authority after discussion and deliberation decided to reject the proposal for issue of NOC as one of the proposed activity, establishment of fish processing unit is prohibited activity in this area.

**9.10 CRZ Clearance for Coastal erosion protection works:**

**9.10.1 CRZ clearance for Coastal erosion protection works at Someshwara, Mangalore Taluk, Dakshina Kannada District (FEE 40 CRZ 2015)**

The Project Director, Project Management Unit, SCPMIP, Ports and Inland Water Transport Department, Mangalore have submitted a proposal for CRZ clearance for coastal erosion protection works proposed to be undertaken at Someshwara in Mangalore under the ADB assistance.

The project site is a linear stretch along the coast, stretching from 12°45'39.25"N, 74°51'49.70"E in the South to 12°47'9.89"N, 74°51'13.53"E in the North, a distance of about 2km. Remains rock revetment seawall exists, which was constructed to protect the existing fisheries road which runs parallel to the coast and connect Someshwara, to Ullal in North.

It is reported that the erosion rate at Someshwara has significantly increased posing threat to nearby houses and plantations. It is therefore proposed to use Geobags/Geocontainers with 1:3 slope with a toe level of 0 mtr and crest level of 3.5 mtr AMSL. Long term monitoring and maintenance of the project site is also proposed. Thus,

providing a long term solution to the issue of coastal erosion at this site.

It is stated that the proposed construction of a Geobags revetment will work as a barrier to check erosion and loss of infrastructure existing on the landward side. The project, regularly monitored and maintained will have a positive impact in terms of protection of existing infrastructure and houses. The proposed work at Someshwara beach is likely to enhance the area's natural ecology, both flora and fauna in the near shore and benefits local people. The total cost of the project proposed is Rs. 25.41 crores.

The proposal was discussed in the Dakshina Kannada District Coastal Management Committee meeting held on 12.03.2015 and the Committee have recommended for CRZ clearance.

As per para 4(i) (f) of the CRZ Notification 2011, Erosion Control Measures are permissible.

The Authority after discussion and deliberation decided to issue NOC for proposed erosion control measures.

#### **9.10.2 CRZ clearance for Coastal erosion protection works at Udyavara, Udupi Taluk & District (FEE 111 CRZ 2015)**

The Project Director, Project Management Unit, SCPMIP, Ports and Inland Water Transport Department, Mangalore have submitted a proposal for CRZ clearance for coastal erosion protection works proposed to be undertaken at Udyavara in Udupi under the ADB assistance.

The project site is located between coordinates 13°16'24.56"N; 74°43'30.25"E and 13°18'48.31"N; 74°42'58.77"E. The village of Udyavara- Padukere. , it is proposed to undertake erosion control measures along a length of 4.5 km, which is suffering the greatest impact of erosion. The proposal involves carrying out coastal protection measures at Udyavara, Udupi Taluk & District to solve severe coastal erosion. Udyavara beach has been seriously eroding for over decades, and local people are adversely affected from severe waves. Many houses has been lost due to erosion. Now, the people are threatened by erosion over the full year and under sever threat in the monsoon. The investigations have revealed that Udyavara Beach is eroding due to changes in river course.

Construction of three, 200m long, shore parallel, offshore reefs to provide shore protection to a vulnerable stretch of 4,500 m length between the southern rocky outcrop and the northern outcrop and jetty. The three offshore reefs shall be constructed on the -5mCD bed contour, approximately 500m from the shoreline. The crests of the reefs will be at 0.5mCD level. In addition to the reefs, partial recharge of sand may be necessary to supply sand to the salient's expected to be formed in the shadow of the reefs. The proposed work at Udyavara beach is likely to enhance the area's natural ecology, both flora and fauna in the near shore and benefits local people. The total cost of the project proposed is Rs.80 crores.

The proposal was discussed in the Udupi District Coastal Management Committee Meeting held on 22.04.2015 and has been recommended for CRZ clearance.

As per para 4(i) (f) of the CRZ Notification 2011, Erosion Control Measures are permissible.

The Authority after discussion and deliberation decided to issue NOC for proposed erosion control measures.

**9.10.3 CRZ clearance for Coastal erosion protection works at Shiruru, Kundapura Taluk, Udupi District (FEE 110 CRZ 2015)**

The Project Director, Project Management Unit, SCPMIP, Ports and Inland Water Transport Department, Mangalore have submitted a proposal for CRZ clearance for coastal erosion protection works proposed to be undertaken at Shiruru in Udupi under the ADB assistance.

The project site is a linear stretch along the coast, stretching from 13°54'48.95"N, 74°35'20.27"E to 13°55'19.60"N, 74°35'8.49"E for a distance of about 1.5 km. The proposal involves carrying out coastal protection measures to solve severe coastal erosion. Shiruru beach has been seriously eroding for over decades, and local people are adversely affected from severe waves. Many houses has been lost due to erosion. Now, the people are threatened by erosion over the full year and under sever threat in the monsoon.

It is stated that the investigations have revealed that the existing seawall at Shirur has slumped and waves during monsoon overtop and lash to nearby houses causing damage and flooding to infrastructure. Severely affected place in Shirur is Kalihittlu. During monsoons the few families get relocated to "Ganji Kendra" operated by the local gram panchayat to provide temporary shelter to families affected during monsoon. Apart from overtopping and the erosion hazard there is a considerable problem for movement of boats due to siltation at the mouth of the river Kambar and Sankadagundi estuary located towards the north of the estuary. The siltation has affected the fishing community using the route movement in and out of the harbour.

It is therefore, proposed to construct coastal rock revetment with a crest level +3.5m and a toe of 0-CD and a slope of 1:3 using 1 tonne armour stone and to periodically monitor the beach changes and beach evolution over a period of time. The proposed work at Shiruru beach is likely to enhance the area's natural ecology near shore and benefits local people. The total cost of the project proposed is Rs.5.4 crores.

The proposal was discussed in the Udupi District Coastal Management Committee Meeting held on 22.04.2015 and has been recommended for CRZ clearance.

As per para 4(i) (f) of the CRZ Notification 2011, Erosion Control Measures are permissible.

The Authority after discussion and deliberation decided to issue NOC for proposed erosion control measures.

**9.10.4 CRZ clearance for Coastal erosion protection works at Yernal, Udupi Taluk & District (FEE 109 CRZ 2015)**

The Project Director, Project Management Unit, SCPMIP, Ports and Inland Water Transport Department, Mangalore have submitted a proposal for CRZ clearance for coastal erosion protection works proposed to be undertaken at Yernal in Udupi under the ADB assistance.

The project site is a linear stretch along the coast, stretching from 13°9'25.35"N, 74°45'22.19"E to 13°11'31.22"N, 74°44'39.98" for a distance of about 4.5 km. The proposal involves carrying out coastal protection measures at Yermal Thenka beach, Udupi Taluk & District to solve severe coastal erosion. Yermal Thenka beach has been seriously eroding for over decades, and local people are adversely affected from severe waves. Many houses has been lost due to erosion. Now, the people are threatened by erosion over the full year and under sever threat in the monsoon. Karnataka has a coastline of about 300 km long and most of the stretch is affected by erosion.

It is reported that the investigations have revealed that the beach berm front and width at this location has reduced by approximately 28m-30m from 2003-2014. The average rate of retreat/ narrowing of the beach is estimated to be 3m/year. In these situations the beach width reduces to zero and severe steepening of the upper beach occurs during the monsoon, with direct attack on the coastal structures implemented. Such pressure on the coastline takes the form of coastal squeeze which negates the effectiveness of the natural beaches and coastal processes to manage wave impacts and associated overtopping inundation.

It is proposed to install upgraded and formally designed coastal rock revetments with a crest level of +3.5m, a toe level of OCD, and a slope of 1:3 using 1 tonne armour stone, and to monitor the beach changes monthly to ascertain how the beach evolution continues. If net-sediment losses, continued reduction over the next 3 years, then implement a beach recharge programme. The proposed work at Yermal Thenka beach is likely to enhance the area's natural ecology near shore and benefits local people. The total cost of the project proposed is Rs.60 crores.

The proposal was discussed in the Udupi District Coastal Management Committee Meeting held on 22.04.2015 and has been recommended for CRZ clearance.

As per para 4(i)-(f) of the CRZ-Notification 2011, Erosion Control Measures are permissible.

The Authority after discussion and deliberation decided to issue NOC for proposed erosion control measures.

#### **9.10.5 CRZ clearance for Coastal erosion protection works at Kodi Bengre, Udupi Taluk & District (FEE 108 CRZ 2015)**

The Project Director, Project Management Unit, SCPMIP, Ports and Inland Water Transport Department, Mangalore have submitted a proposal for CRZ clearance for coastal erosion protection works proposed to be undertaken at Kodi Bengre in Udupi under the ADB assistance.

The project site is a linear stretch along the coast, stretching from 13°24'23.93"N, 74°41'49.25"E to 13°26'56.92"N, 74°41'44.84"E for a distance of about 4.5 km. The proposal involves carrying out coastal protection measures at Kodi bengre beach, Udupi Taluk & District to solve severe coastal erosion. Kodi bengre beach has been seriously eroding for over decades, and local people are adversely affected from severe waves. Many houses has been lost due to erosion. Now, the people are threatened by erosion over the full year and under sever threat in the monsoon. Karnataka has a coastline of about 300 km long and most of the stretch is affected by erosion.

It is reported that the investigations have revealed that the, morphological changes in Swarna and Sita Rivers causes Kodi Bengre spit to grow southerly and Oddu Bengre spit receding southwards. From Topographic map and satellite imageries, it is found that the Kodi Bengre spit is continued with its southerly growth whereas Oddu Bengre spit shows erosion. The width of Kodi Bengre spit has considerably increased and no changes in Oddu Bengre spit. The changes do show that the southerly drift is predominant over northerly drift. The coastal road experiences wave overtopping during monsoon season.

It is proposed to construct rock revetment which will work as a barrier to check erosion and loss of infrastructure existing on the landward side. The project, regularly monitored and maintained will have a positive impact in terms of protection of existing infrastructure and houses. The proposed work at Kodi bengre beach is likely to enhance the area's natural ecology near shore and benefits local people. The total cost of the project proposed is Rs.49 crores.

The proposal was discussed in the Udupi District Coastal Management Committee Meeting held on 22.04.2015 and has been recommended for CRZ clearance.

As per para 4(i) (f) of the CRZ Notification 2011, Erosion Control Measures are permissible.

The Authority after discussion and deliberation decided to issue NOC for proposed erosion control measures.

#### **9.10.6 CRZ clearance for Coastal erosion protection works at Maravanthe, Kundapura Taluk, Udupi District (FEE 107 CRZ 2015)**

The Project Director, Project Management Unit, SCPMIP, Ports and Inland Water Transport Department, Mangalore have submitted a proposal for CRZ clearance for coastal erosion protection works proposed to be undertaken at Maravanthe in Udupi under the ADB assistance.

The project site stretches from 13°41'14.44"N 74°38'39.76"E to 13°43'7.05"N, 74°38'24.29"E in the North, a distance of 4.5km. The proposal involves carrying out coastal protection measures at Maravanthe beach, Kundapura Taluk, Udupi District to solve severe coastal erosion. Maravanthe beach has been seriously eroding for over decades, and local people are adversely affected from severe waves. Many houses has been lost due to erosion. Now, the people are threatened by erosion over the full year and under sever threat in the monsoon. Karnataka has a coastline of about 300 km long and most of the stretch is affected by erosion.

It is reported that the investigations have revealed that the, the coastline between Trasi Park and Maravanthe faces severe erosion and there is intense pressure on National Highway 66 which is an important national asset. Trasi Park, which is around 200 meters long and located very close to the shore, is constantly under threat of erosion during monsoon season. A few trees were uprooted and the park walkway was damaged during the Monsoon of 2013. For about 1.5 km the national highway is being squeezed between Kollur River on the east and the Arabian Sea on the west. The rock revetment provided along the national highway is failing to protect the stretch of national highway hence waves overtop the partially collapsed revetment at certain locations.

Since the river flows very close to the coast the pore pressures are high at this location.

The waves plunge near the beaches undermining the National Highway by disrupting the toe of the existing seawall. This narrow isthmus is being eroded from both ends i.e. due to river flows and due to wave attack.

Based on selection of various options and multi criteria analysis, and financial viability studies, it was decided to implement:

1. A single shore parallel 350m long reef located approximately 500m offshore, at a sea depth of -5mCD;
2. Eight shore-normal rock groynes, each approximately 85m long at a spacing of 200m and
3. Partial recharge of approximately 222,000m<sup>3</sup> of sand to advance the initial baseline over a stretch of 1,500m fronting National Highway 66.

The proposed work at Maravanthe beach is likely to enhance the area's natural ecology near shore and benefits local people. The total cost of the project proposed is Rs.22 crores.

The proposal was discussed in the Udupi District Coastal Management Committee Meeting held on 22.04.2015 and has been recommended for CRZ clearance.

As per para 4(i) (f) and 8 (i) I (ii)(b) of the CRZ Notification 2011, Erosion Control Measures are permissible.

The Authority after discussion and deliberation decided to issue NOC for proposed erosion control measures.

#### **9.10.7 CRZ clearance for Coastal erosion protection works at Murudeshwara, Bhatkal Taluk, Uttara Kannada District (FEE 115 CRZ 2015)**

The Project Director, Project Management Unit, SCPMIP, Ports and Inland Water Transport Department, Mangalore have submitted a proposal for CRZ clearance for coastal erosion protection works proposed to be undertaken at Murudeshwara in Uttara Kannada District under the ADB assistance.

The proposed project site is a linear stretch along the coast, stretching from 14° 5'4.05"N, 74°29'20.49"E in the south to 14° 6'3.80"N, 74°29'11.62"E in the north, along the edge of the Murudeshwar hillock. The proposal involves carrying out coastal protection measures at Murudeshwara beach, Bhatkal Taluk, Uttara Kannada District to solve severe coastal erosion. Murudeshwara beach is known for tourism and has been seriously eroding for over decades, and local people are adversely affected from severe waves. Many houses has been lost due to erosion. Now, the people are threatened by erosion over the full year and under sever threat in the monsoon. Karnataka has a coastline of about 300 km long and most of the stretch is affected by erosion.

Considering the demand on the beach of Murudeshwar by both the tourists and local fishermen it is considered to provide a boat marina for the fisher folks and at the same time to provide much safer zone to the tourists by providing shelter from the waves through off shore coastal structure.

The beach area south of temple is proposed to be re-molded or recreated so as to provide a marina for fishing boats which helps to develop the livelihood for fishing communities. On the north side, the beach area shall be further developed for recreational activities for tourists. Construction of two offshore reefs or breakwaters, one of them 300m and the other with a boomerang shape of 300 m at a distance of 400 m offshore will provide shelter for marina from high waves.

The proposed work at Murudeshwar beach is likely to enhance the safety of tourists, economy of local fishermen and benefits local people. The total cost of the project proposed is Rs.47 crores.

The proposal was discussed in the Uttara Kannada District Coastal Management Committee Meeting held on 24.03.2015 and has been recommended for CRZ clearance.

per para 4(i) (f) of the CRZ Notification 2011, Erosion Control Measures are permissible.

The Authority after discussion and deliberation decided to issue NOC for proposed erosion control measures.

#### **Miscellaneous:**

#### **9.11 Setting up of Karnataka State Coastal Management Research Centre at Visveswaraya Technological University (VTU), Belgaum (FEE 248 CRZ 2012)**

VTU has proposed to set up State Coastal Management Research Centre/Institute with the collaboration of Fisheries collage at Mangalore & other important institutes of Karnataka to help and assist Government of Karnataka. The proposed locations are, Davanagere/Bangalore/Mangalore/Belgaum.

Need for such a center, scope of work of the Center, sustainability of the Center, location & advantages to the State Government are deliberated in the concept note enclosed to the letter of Registrar, VTU. It is mentioned in the concept plan that the staff would be indicated in the DPR on approval from the Government for the concept plan.

As observed from the concept plan the sustainability of the Center is on preparation of CZMPs as required under CRZ Notification, 2011 by charging and by conducting various trainings/workshops related to marine/coastal environment.

The specific activities proposed to be taken up by the Center are given below,

1. Study by EIA Division of the Center on coastal and marine environment impact due to various projects.
2. Study by R&D Division of the Center on climate change, conservation & protection of coastal & marine endangered species.
3. Training & Awareness Division of the Center to undertake extension activities in collaboration with various other Institutes with regard to importance of coastal and marine environment.

As per Para 5 of the CRZ Notification, 2011, the preparation of CZMPs Map requires identification or demarcation HTL / LTL by institutions identified by MoEF. There after the

CZMP maps are to be prepared by engaging reputed and experienced scientific institutions including National Centre for Sustainable Coastal Zone Management. Accordingly the Government of India has already entrusted the above work for all Coastal States to the National Centre for Sustainable coastal Zone Management, Chennai, which is an autonomous institution of MoEF and CC. The VTC is not the identified/recognized institution for demarcation of HTL/LTL. However, the services of the institution be availed for preparation of CZMP maps. But, already CZMP maps for the State is entrusted to National Centre for Sustainable Coastal Zone Management, Chennai, there may not be much scope to entrust CZMPs to VTU.

This proposal is for setting up State Coastal Management Research Centre at Visveswaraya Technological University (VTU), Belgaum. As there are no specific action points to decide at the authority level. The Authority after discussion decided to drop the proposal.

The authority decided to hold next meeting at Udipi tentatively on 21<sup>st</sup> July 2015.

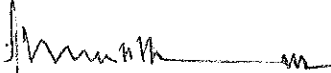

The meeting ended with thanks to the Chair.

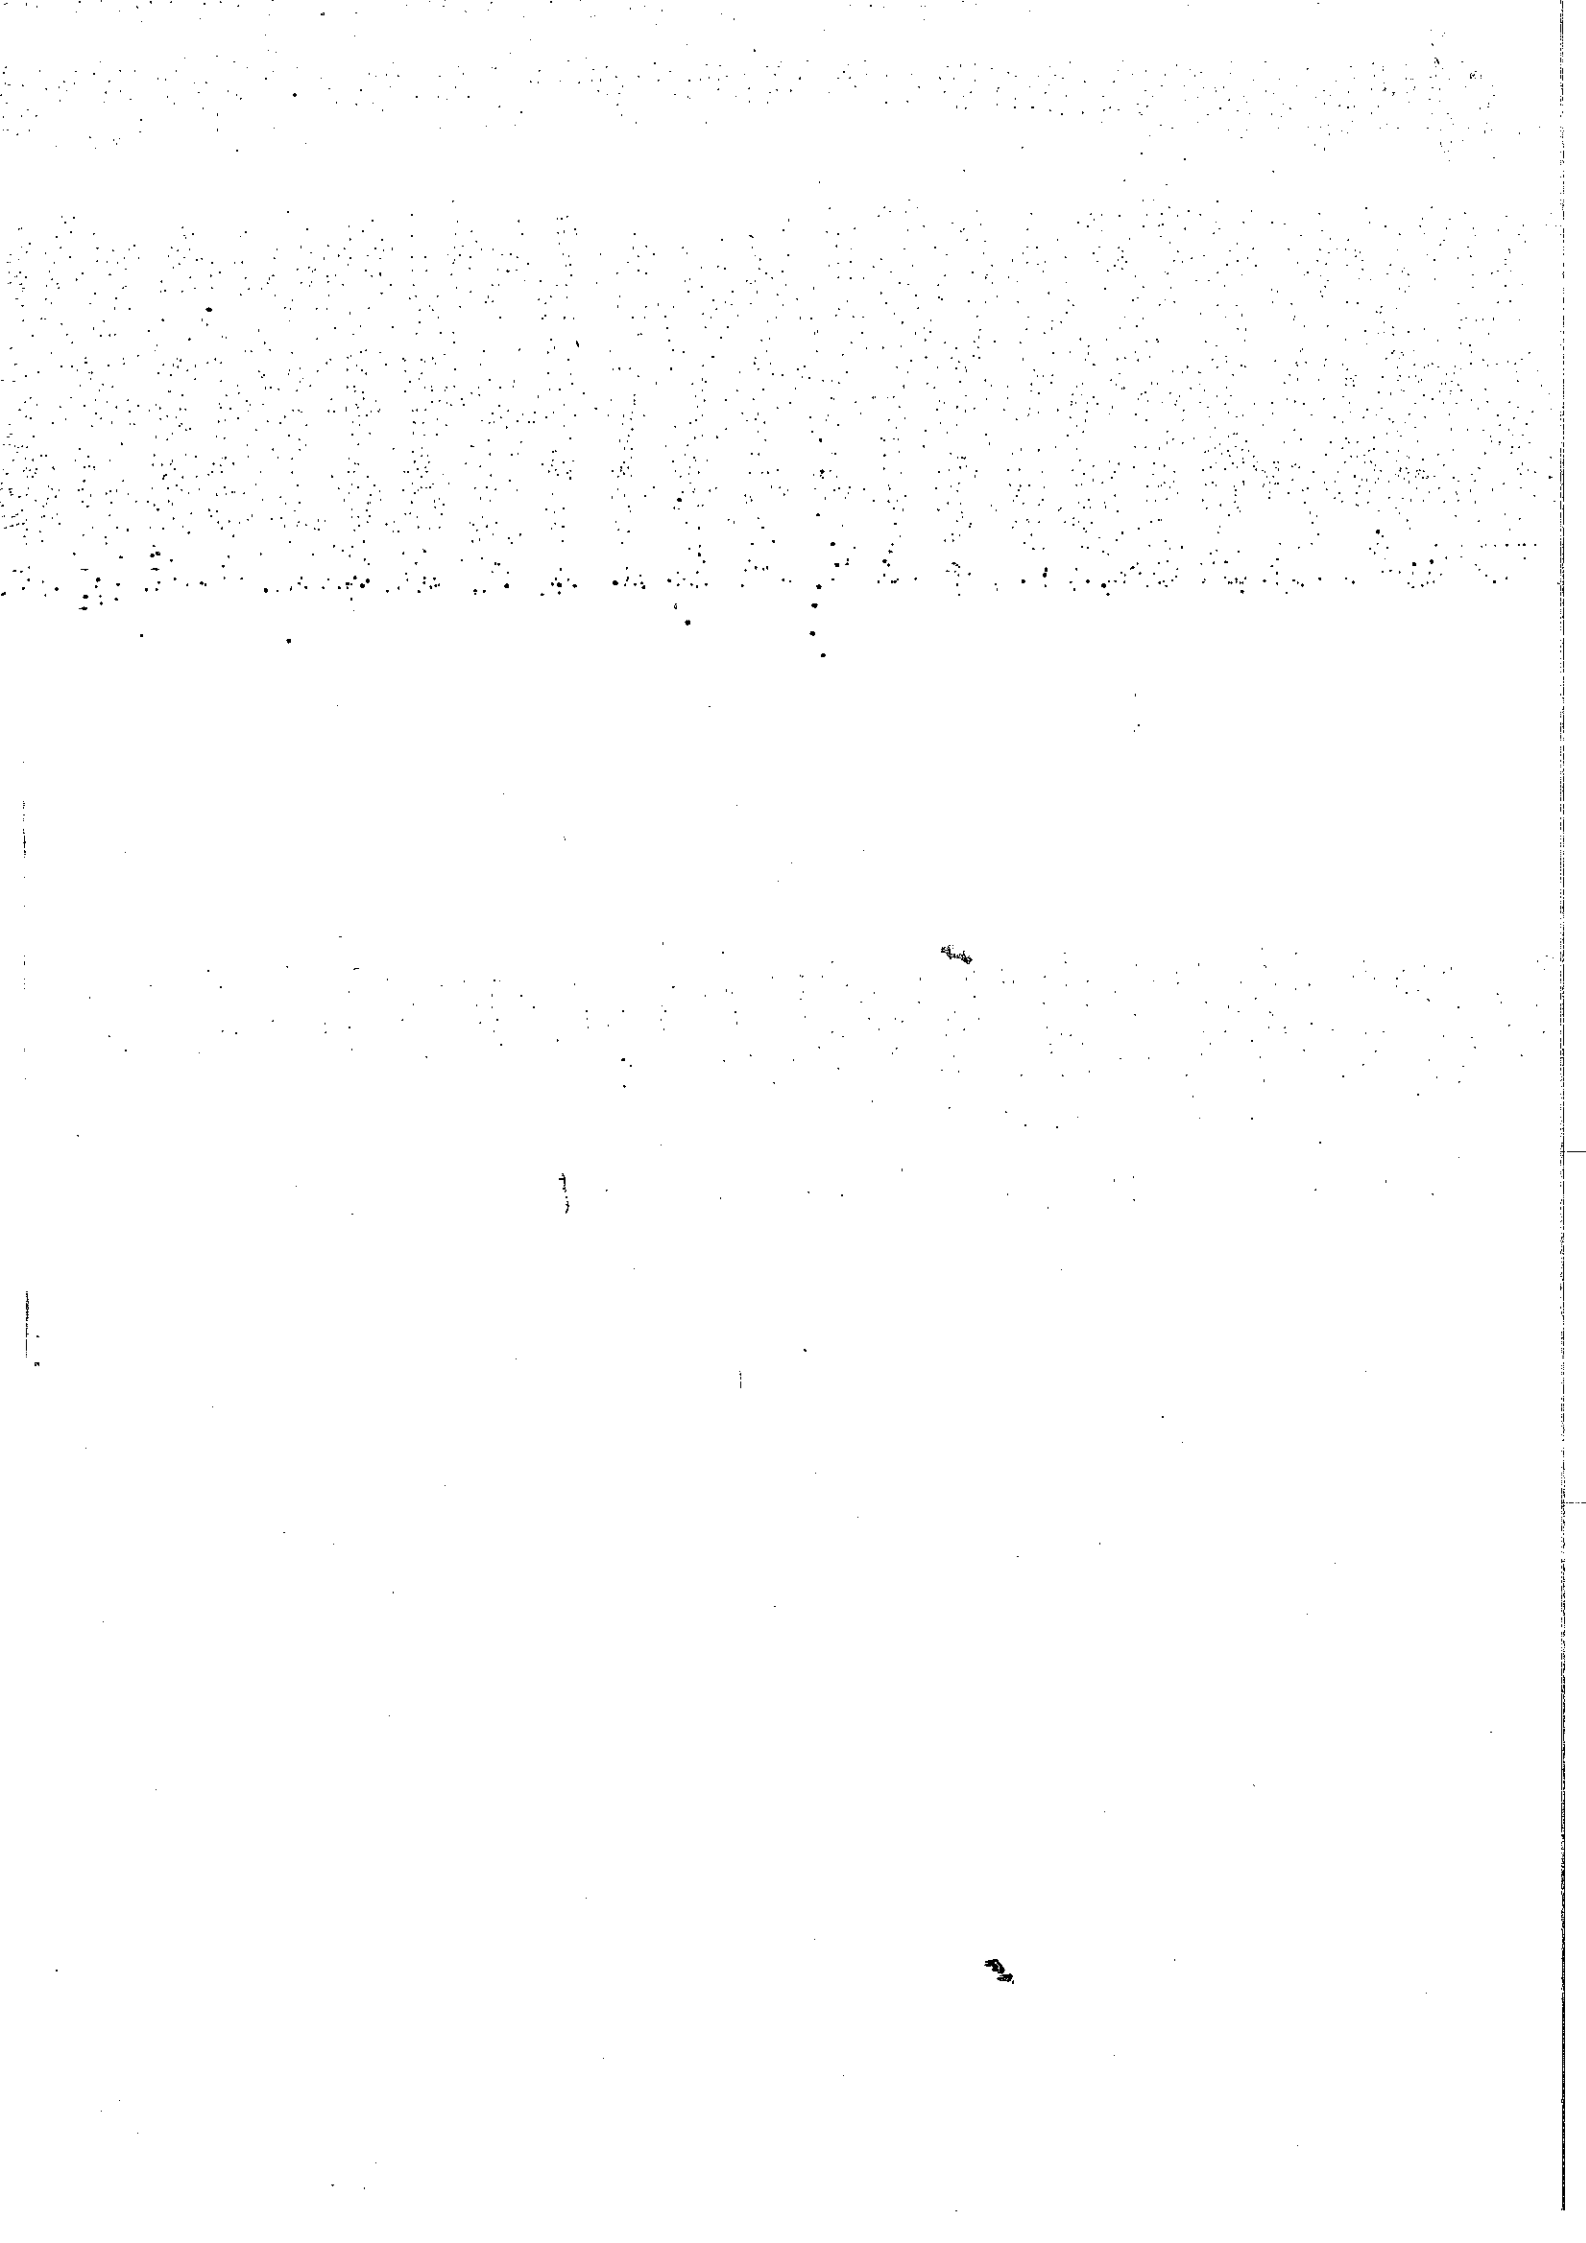

(M. MADAN GOPAL)

Additional Chief Secretary to Government,  
Forest, Ecology & Environment Department &  
Chairman, Karnataka State Coastal  
Zone Management Authority.

No. FEE 236 CRZ 2013

For Special Director (Technical Cell)  
& Secretary, KSCZMA  
Forest, Ecology and Environment  
Department.

Meeting of the 7<sup>th</sup> Karnataka State Coastal Zone Management Authority (KSCZMA) held on 05<sup>th</sup> September 2014 at 11.00 AM at 4<sup>th</sup> Floor, MS Building, Bangalore.

LIST OF MEMBERS/OFFICERS PRESENT

1. Sri M. Madan Gopal, IAS,  
Chairman, KSCZMA &  
Additional Chief Secretary to Government,  
Department of Forest, Ecology & Environment,  
MS Building, Bangalore - 560 001  
In Chair
2. Additional Chief Secretary to Government,  
Tourism Department,  
Vikasa Soudha Bangalore.  
Present (represented by Sri. Ravi Murthy,  
Joint Secretary)  
Absent
3. The Additional Chief Secretary to  
Government,  
Industries and Commerce Department,  
Vikasa Soudha, Bangalore  
(Represented by Sri. R.Ramesh, Joint  
Director (TC))  
Absent
4. Principal Secretary to Government,  
Animal Husbandry and Fisheries,  
Vikasa Soudha, Bangalore  
(Represented by Sri. Veerappa Gowda H.S  
Director, Fisheries)  
Sri. H.S Veerappa Gowda, Director of  
Fisheries attended as representative
5. Sri. Ramachandhra, IFS,  
Secretary to Govt. (Ecology & Environment)  
Forest, Ecology and Environment Department  
Bangalore- 560 001.  
Present
6. Member Secretary,  
Karnataka State Pollution Control Board,  
No. 49, Parisara Bhavan, Church Street,  
Bangalore- 560 001.  
(Represented by Sri. Nanda Kumar, Chief Env.  
Officer)  
Present
7. Director General,  
Environment Management and Policy  
Research Institute (EMPRI),  
'Hasiru Bhavana', Doresanipalya Forest  
Campus,  
Vinayaka Nagara Circle, J. P. Nagar, 5<sup>th</sup> Phase,  
Bangalore-560 076.  
Present
8. Director,  
Karnataka State Remote Sensing Application  
Centre, KRSAC,  
Department of IT, BT, S&T, 6th Floor, Multi  
Storied Building,  
Bangalore- 560 001.  
Present

9. Dr. B.K. Shivaprasad Rai,  
Consultant Surgeon and former Commandant  
of Home Guards, Absent  
Shourya, Martin Pais Road, Hat Hill,  
Bejai Post, Mangalore-575004.
10. Dr. Subba Rao,  
Professor Department of Applied Mechanics  
and Hydraulics, Absent  
National Institute of Technology, Karnataka,  
Stratkal, Mangalore.
11. Dr. Gangadhara Gowda  
Professor and Head,  
Aquatic Environment Management Present  
Department,  
College of Fisheries, Mangalore.
12. Dr. K.S. Jayappa  
Professor,  
Department of Marine Geology, Absent  
Mangalore University,  
Mangala Gangothri, Mangalore.
13. Dr. M.H. Balakrishnaiah,  
Special Director (Technical Cell)  
and Secretary,  
Karnataka State Coastal Zone Management Absent  
Authority,  
Forest, Ecology and Environment Department

**Other Officers Present:**

1. Regional Director (Environment),  
Forest, Ecology & Environment Department,  
Corporation Commercial Complex, Present  
I Floor, Lalbagh, Mangalore-575 003.
2. Regional Director (Environment),  
Forest, Ecology & Environment Department,  
1<sup>st</sup> Floor, C Block, Rajathadri, Present  
District Administrative Centre,  
Manipal- 576104, Udupi District.
3. Regional Director (Environment),  
Forest, Ecology & Environment Department,  
Meera Building, I Floor, Kajubagh, Karwar, Present  
Uttara Kannada District.
