Further it was also informed to the Authority that as per the direction of the Authority meeting held on 03.09.2013 the Regional Director (Env) Karwar has submitted the inspection report. The RD(E) inspected the site on 22.01.2014. During the inspection

proponents were not present. Representative Manager for M/s. Sharavati Tiles Shri. B.N. Nayak was present and failed to produce the documents and sought more time to produce the documents. The RD(E) has further submitted that no new construction or tile factory work going on and the area seems to be abandoned in the said survey numbers. During inspection the adjoining residents and Chairman of Mavinkurva Gramabhivradhi Samiti gave representations objecting for the project and to stop the project due to air and water pollution occurrence in future.

The Authority after deliberation decided to reject the above proposal.

Agenda No.6: CRZ Clearance for structures by M/s. Naveen Hotels Ltd. and M/s. R.N. Shetty Trust at Murudeshwar (FEE 100 CRZ 2012)

It was informed that the subject was considered in the KSCZMA meeting held on 08.01.2014 and the Authority noted that the agenda note is devoid of project details, HTL demarcation, applicability of the CRZ rules, supportive drawings, copies of the relevant judgments & MoEF, GoI inspection report along with EIA/EMP report and hence decided to defer the subject to the next meeting.

The Secretary, KSCZMA placed the above documents for the perusal of the Authority on the file with detailed Agenda Notes. He submitted that the enclosures could not be circulated to the members as they were voluminous. However, the Authority decided to defer the subject to the next meeting with direction to the Secretary, KSCZMA to circulate the above documents along with the Agenda. The Authority also directed the Secretary (Ecology & Environment), DFEE to issue a SCN to the Secretary, KSCZMA, for not circulating the documents to the members along with the Agenda.

Agenda No.7: Seeking clarification to sanction 9 acre of land out of Survey No 10/1 of Baikampadi Village of Mangalore by Karnataka Industrial Area Development Board, Mangalore (FEE 61 CRZ 2013).

It was informed that the subject was considered in the KSCZMA meeting dated 3rd September 2013. The Authority had deferred the proposal to the next meeting insisting the presence of the Principal Secretary to Government, Industries and Commerce Department.

It was informed that the subject was considered again in the KSCZMA meeting held on 08.01.2014. The Authority had discussed in detail the report of Regional Director (Environment), Mangalore dated 15.12.2013. The Regional Director (Environment) has reported that Sy. No. 10/1 is located between MRPL/ODC road and Kudumbooru Hole and is of 9 Acres extent. Kudumbooru Hole a tributary of Gurupur River is 50 m wide at this point. There are 50 m wide mangroves grown along the Kudumbooru Hole. The land in question is partly covered with mangroves and is marked as CRZ-I area as per CZMP (approved 1996). Further, he has reported that 150 m wide area between mangroves and MRPL/ODC road is vacant and covered with shrubs. The balance area excluding 50 m buffer from mangrove area and MRPL/ODC road was jointly surveyed by KIADB officials with Regional Director (Environment) on 4.12.2012. As per the joint inspection report

which is supported by survey sketches this balance area is of 4.2 Acres extent. The Regional Director (Environment) again inspected the proposed area on 04.02.2013 and has reported that the said 4.2 Acres of area is outside CRZ as per para 1 of CRZ Notification, 2011. The remaining area of 4.8 Acres out of 9 Acres of proposed area must be protected for mangrove vegetation as per the CRZ Notification, 2011. However, the said 4.2 Acres is recommended by Regional Director (Environment) for sanction.

In view of the above, the Authority had observed that out of 9.0 acres of KIADB land, 4.2 acres is outside CRZ area (excluding 50m buffer from mangroves) and the remaining 4.8 acres comes under CRZ-I which is covered with mangroves. The Authority after deliberation decided that 4.2 acres of land may be sanctioned to the applicants with a condition that the remaining 4.8 acres of land be developed for ecotourism with mandatory conservation and protection of existing mangroves which was agreed by the Director (Technical Cell), Industries & Commerce Department attending the meeting.

However, the Secretary (E&E) has remarked on the file as follows while submitting the draft letter addressed to KIADB from the Chairman, KSCZMA on the lines of the above proceedings:

“Out of 9 acres of KIADB land, 4.2 acres is outside CRZ area. Remaining 4.8 acres comes under CRZ -I. In the KSCZMA meeting held on 08.01.2014 it was decided to permit eco tourism activity in CRZ-I, which is not a permitted activity as per CRZ Notification 2011. (The extract of the relevant paras of the CRZ Notification 2011 is reproduced below). Hence I am of the opinion that this may be brought before the next KSCZMA meeting for amendments.”

The Chairman, KSCZMA has directed on the file to make a regular agenda on permitted activities in the area in question and bring it up. Notice to KIADB also with agenda notes.

The Authority perused provisions under Para 8. I CRZ-I and guidelines for development of beach resorts or hotels in CRZ III and II (Annexure-III) of CRZ Notification, 2011 and observed that eco-tourism is not a permitted activity under the Notification.

The Authority after deliberations, decided to write to KIADB that 4.2 Acres of the land in the non-CRZ area may be sanctioned to the applicants with due boundary measurements in consultation with the Regional Director (Environment). In respect of the remaining 4.8 Acres falling under CRZ-I area (which was decided in the previous meeting of KSCZMA held on 03.09.2013 for development of eco-tourism), the Authority decided that the said 4.8 Acres area should not be used for eco-tourism activities, but it should be preserved on as is where is basis, since it is a mangrove and an ecologically sensitive area.

Regional Director (Environment) has reported that the crude oil will be received through pipeline from crude oil jetty at New Mangalore Port to project site. The pipeline of 48" dia will be laid from NMPT land fall point to project site, covering distance of about 12 km. From NMPT to Turning Point (TP) 23 the pipeline comes along with SEZ corridor for which CRZ clearance has been issued by MoEF, GoI vide letter no. No.21-383/2007-IA-III dated 3rd April 2008.

Regional Director (Environment) has further reported that from TP 23 to TP 34 the area is coming under CRZ-II and near TP 35 to TP 39 the area is coming under CRZ-I. Here pipeline passes along with existing MRPL pipeline. There is mangroves vegetation near this area, During the inspection of RD(E) it was observed that around 15 mangroves trees may be affected as submitted by the project proponent. The pipeline is about 40 m from

HTL of Kudumbur River. The width of the river here is 50m. The project proponent should take utmost care to protect the mangroves present in ROU while laying the pipeline. From pipeline TP No.39 to TP 41, the pipeline laying will be in Tokur village. Here as per CZMP only up to the distance of 50m the area is under Coastal Regulation Zone. (CRZ-II). However there is thick mangrove vegetation in this area which is up to 1.4 km length. As per the present CZMP this area is outside CRZ, but according to CRZ Notification 2011, the area is in CRZ. In this area M/s ISPRL proposes to lay the pipeline by Horizontal Boring Method to avoid distraction of mangroves. The project proponent submitted that the horizontal boring is done at the depth of 2.5m. So the mangroves present will be intact while laying the pipeline.

The activity of laying pipeline is permissible under Para 8. I CRZ-I (i) (b) of CRZ notification 2011 in CRZ I area: the relevant provision is reproduced below:

“No new construction shall be permitted in CRZ -I except pipelines, conveying systems including transmission lines.”

The Chief Manager, ISPRL, Mangalore explained the salient features of the project. He requested CRZ clearance to the project as it is a project of national importance undertaken by Government of India in the state. The Authority after deliberations, decided to recommend CRZ clearance and to forward all the required documents of the project to MoEF, GoI, as it is a permitted activity under the CRZ Notification, 2011.
